This _____ to be my playground [used to be]
This _____ to be my childhood dream
This _____ to be the place I ran to
Whenever I was in need
Of a _____
Why did it have to end
And why do they _____ say

Don't look back
Keep your head held _____
Don't ask them why
Because life is short
And before you know
You're feeling _____
And your heart is breaking
Don't hold on to the _____
Well that's too much to ask

This _____ to be my playground [used to be]
This _____ to be my childhood dream
This _____ to be the place I ran to
Whenever I was in need
Of a _____
Why did it have to end
And why do they _____ say

No regrets
But I wish that _____
Were here with me
Well then there's hope yet
I can see your face
In our _____ place
You're not just a _____
Say goodbye to yesterday [the dream]
Those are words I'll _____ say [I'll never say]

This _____ be my _____ [used to be]
This _____ be our pride and joy
This _____ be the place we ran to
That no one in the world could dare _____

This used to be our playground [used to be]
This used to be our childhood _____
This used to be the place we ran to
I wish you were _____ here with me

This _____ be our playground [used to be]
This used to be our great _____
This used to be the place we ran to
This _____ be our secret hiding place

This used to be our _____ [used to be]
This used to be our childhood _____
This used to be the place we ran to
The _____ things in life are always free
Wishing you were here with me
